Ascension St. Vincent Heart Care program overview and frequently asked questions

What is the Ascension St. Vincent heart care program?

- High-quality specialty care offered through your employer at no cost to you as part of your health benefit plan.
- Comprehensive cardiovascular care, including most testing, surgeries and procedures performed at approved locations utilizing state-of-the-art catheterization labs and operating rooms.
- A program available to active members of participating employer health plans.

What services are included through the heart care program?

**Cardiology services are covered only at approved locations. Refer to the online brochure for detailed information about approved locations.*

- Cardiology appointments, testing, surgeries and procedures.
- Advanced cardiac imaging, including computed tomography (CT) and magnetic resonance imaging (MRI).
- Emergency heart services and complex surgical care.

What is not included in the program?

- Cardiology appointments, testing or procedures performed at unapproved facilities or offices.
- Services at other Ascension hospitals such as those in Anderson, Kokomo, Carmel, Fishers or other locations.

Why should I participate in the heart care program?

- Experience world-class service and the highest-quality heart care available in Indiana.
- Excellent procedural and surgical outcomes, decreased hospital time and quicker recovery.
- Comprehensive post-surgical care to ensure quality of life is restored.
- Zero deductible, copay or coinsurance costs for you and your family.
- Incentive payments from your employer for choosing the Ascension heart care team.

Do I have to use this program?

- This is not a mandatory program. You always have the choice to use this program or seek care elsewhere through your primary health benefits.

What if I already have a non-Ascension cardiologist?

- Their services are not covered under this program; your regular deductibles and costs will apply for their services.
- Explain our incentive benefits program to your provider.
- Your current cardiologist can collaborate with our Ascension Cardiology team.
- You can request a referral to the Ascension St. Vincent heart care team.

Do I need a referral from my primary care provider?

- No referral is needed.
- You may directly call the concierge line to schedule an appointment for any cardiac related care.

How much will services in this program cost me?

- Deductible and coinsurance costs are waived for eligible care under this program.
- Incentive payments are available for participation in the program when utilizing services.

What if I am having symptoms of a cardiovascular emergency?

- Go directly to the closest ER or dial 911.

To access services, follow these steps:

Step 1
Call **855-782-0946** to schedule an appointment for cardiac needs. State you are a member of the heart care program. The concierge will connect you to an approved Ascension St. Vincent cardiology office.

Step 2
Consult with the Ascension St. Vincent cardiology provider to plan your care.

Step 3
Schedule recommended tests, imaging, procedures and/or surgeries at approved Ascension Cardiology locations. The cardiology office(s) will provide education and preparation for any testing, imaging, procedures and/or surgery.
